BALD HEADS

What is the condition of your hair? Is your hair dry, harsh,
brittle? Does it split at the ends? Has it a lifeless appearance?
Does it fall out when combed or brushed? Is it full of dandruff?
Does your scalp itch? Is it dry or in a heated condition? If these
are some of your symptoms be warned in time or you will become
bald.

SKOOKUM ROOT HAIR GROWER

Is what you need. Its production is not an accident, but the result of scientific
research. Knowledge of the diseases of the hair and scalp led to the discovery of how
to treat them. "Skookum" contains neither minerals nor oils. It is not a dye, but
a delightfully cooling and refreshing tonic. By stimulating the follicles, it stops
falling hair, cures dandruff and grows hair on bald heads.

Keep the scalp clean, healthy and free from irritating eruptions, by the use
of Skookum Skin Soap. It destroys parasitic insects, which feed on and destroy
the hair.

YOUR FUTURE

IS IN YOUR OWN HAND.

Palmaristry assumes to tell what the lines in your
hand indicate. It will amuse you, if nothing more.
The above diagram explains itself. The
length of the LINE OF LIFE indicates probab-
ly to which you will live. Each BRACELET
you thirty years. Well-marked LINE OF
HEAD denotes brain power; clear LINE OF
FORTUNE, fame or riches. Both combined mean
success in life; but you must keep up with modern
ideas to win it. You will find plenty of those in
Demorest's Family Magazine, so attractively pre-
sented that every member of the family is enter-
tained. It is a dozen magazines in one. A CLEAR
LINE OF HEART bespeaks tenderness; a straight
LINE OF FATE, peaceful life; the reverse if
crooked. A well-defined LINE OF HEALTH
denotes a healthy body; a crooked line, a weak
body. Many stories to interest the home circle. You will
be subject to extremes of high spirits or despond-
ency if you have the CIRCLE OF VENUS well
marked; keep up your spirits by having Demorest's
Magazine to read. By subscribing to it for 1894
you will receive a year of exquisite works of art
of great value, besides the superb premium picture,
12x22 inches, "I'm a Daisy," which is almost a real
baby, and equal to the original oil painting which
cost \$300; and you will have a magazine that cannot
be equalled by any in the world for its beautiful
illustrations and subject matter, that will keep
you posted on all the topics of the day, and all the
fads, and different items of interest about the
household, besides furnishing interesting reading
matter, both grave and gay, for the whole family;
and while Demorest's is not a fashion magazine,
its fashion pages are perfect, and you get with it,
free of cost, all the patterns you wish to use during
the year, and in any size you choose. Send in
your subscription at once, only \$2.00, and you will
really get over \$25.00 in value. Address the pub-
lisher, W. J. Demorest, 15 East 14th St.,
New York. If you are unacquainted with
New York, send for a specimen copy. A large QUAD-
RANGLE means honesty; a large TRIANGLE, gen-
erosity; long FIRST DIVISION OF THUMB, strong
will; LONG SECOND DIVISION, reason-
ing faculty. THE MOUNT OF JUPITER betokens
ambition; the MOUNT OF SATURN, prudence; the MOUNT
OF MARS, courage; MOON, imagination;
VENUS, love of pleasure; and MERCURY, in-
telligence. Take our advice as above and you
will be sure to possess the last and most valuable
quality.
